GIVING

We're part of a bigger story.

The believers studied what the apostles taught. They shared life together. They broke bread and ate together. And they prayed. Everyone felt that God was near. The apostles did many wonders and miraculous signs. All the believers were together. They shared everything they had. They sold what they owned. They gave each other everything they needed. Every day they met together in the temple courtyard. In their homes they broke bread and ate together. Their hearts were glad and honest and true. They praised God. They were respected by all the people. Every day the Lord added to their group those who were being saved. Acts 2:42-47

Jesus said, "Where your treasure is, there your heart will be also."
Giving is not a business transaction; it's about our hearts.
